SPECIALISED BROWS & LASHES			
BROW LAMINATION, SHAPE & TINT			R550
Tames and sculpts unruly brows for a fuller, more defined look that lasts up to 8 weeks. Includes shaping and tinting for perfectly polished results.			
HENNA BROW & SHAPE			R550
A natural, long-lasting tint using a blend of henna and pigments to give a soft, tattoo-like finish. Ideal for fuller-looking brows — no pencils needed.			
LASH LIFT & TINT			R480
A gentle, effective alternative to extensions and mascara. Lifts and curls your natural lashes while adding tint for depth and definition. Results last 6–8 weeks.			
LASH TINT			R80
Defines and darkens lashes, enhancing natural length and volume — perfect for sun-faded or light lashes.			
BROW TINT & SHAPE			R120
Adds depth and definition while enhancing shape. A quick treatment with impactful, polished results.			
WAXING & THREADING			
Smooth, silky skin starts here. Whether it's precise threading or targeted waxing, these treatments offer long-lasting results and minimal regrowth.
