PARAMEDICAL SKIN TREATMENTS PRICE LIST

"Welcome to Shiroy:
Where Every Woman Shines & Confidence
Becomes Your Best Accessory"

PERMANENT MAKE-UP			
A medically approved, 95% pain-free technique that enhances brows, lips and eyes with natural-looking results. Colour can last up to 7–10 years. Touch-ups must be done within 12 weeks of the initial procedure.			
Eyeliner (Top/Bottom, Thin)	R1 900	Ombre Brows/Nano Brows	R2 600
Eyeliner (Top & Bottom, Thin)	R2 200	Full Vibrant Lips	R2 900
Eyeliner (Top/Bottom, Thick)	R2 100	Touch-ups 50% of original price	
Eyeliner (Top & Bottom, Thick)	R2 400		
SKIN LESION REMOVAL			
A safe, non-invasive procedure using Spot Plasma Technology. This treatment stimulates collagen and eliminates unwanted lesions without cutting or scarring. <i>Type of lesions which can be removed: Moles (Nevi), Seborrheic Keratosis, Dermatofibroma, Skin tags, Xanthelasma (yellow fatty deposits often found around the eye area), Pigmentation (liver spots, freckles, age spots, sun spots), Cherry Angioma, Syringoma and more.</i>			
1hr	R1 200	2hrs	R1 950
1½ hrs	R1 650		
TATTOO REMOVAL			
A precise plasma-based method that breaks down ink particles for safe removal. This non-chemical approach works across ink colours and reduces scarring risk. Multiple sessions are required depending on tattoo size, age and ink depth.			
Test Patch	R650	1½ hrs	R1 650
1hr	R1 250	2hrs	R1 950
MEDICAL EAR PIERCING			
Precision piercings using high-grade materials. Strategically placed to support energy balance, ease migraines, regulate cravings, or as a form of healing and expression.			
1 x Lobe	R200	Helix/Conch/Flat	R350
2 x Lobes	R400	Tragus/Forward Helix/Rook/Daith/ Industrial	R450
STRETCH MARKS & SCAR REVISION			
Targeted treatment to reduce the appearance and texture of scars from acne, injury or surgery using microneedling and specialised techniques. Encourages collagen production to help smooth and blend scars with surrounding skin — softening their visibility and restoring skin confidence.			
1hr	R1 800	2hrs	R3 120
1½ hrs	R2 520		
SKIN CAMOUFLAGE			
A specialist treatment that uses custom-blended pigments to conceal skin imperfections like scars, vitiligo, stretch marks, birthmarks or uneven tone. Matched to your natural complexion, it offers long-lasting coverage for both face and body — restoring confidence and a sense of ease in your skin.			
1hr	R1 950	2hrs	R3 360
1½ hrs	R2 700		
AREOLA RE-PIGMENTATION			
A highly personalised cosmetic tattooing treatment to restore or enhance the areola — often after breast surgery, mastectomy or scarring. Designed to recreate natural shape, symmetry and colour, this treatment supports healing and body confidence with realistic, lasting results.			
One Areola	R2 200	Touch-ups 50% of original price	
Two Areolas	R3 200
